

# Delivery Charges

Delivery charge (**dc or p&p**) are marked after the item price. If you require multiples of items, on average you can add half the delivery charge to the full charge for each extra item and that should give you roughly the delivery charge. All items classified under 1.4S (primers & primed cases) explosives have a standard Hazmat charge of £14.90 per consignment with a maximum of 10kg. Order of 10.1kg up to 20kg, but not including bulky items is £22.90 24hr delivery. Consignments of bulk items [e.g. Full boxes of wads or cases, etc.] are charge by VOLUME, phone or e.mail for these prices.

**NO delivery times can be guaranteed and all consignments under Hazmat must be signed for.**
