

ACCESSORIES

MEC Super Sizer is the best case re-sizer known. Using an 8 finger "Power Ring" collet to give an even pressure encircling the metal head, forming it back to the makers original size. Available in all gauges from 10 to .410 in head heights up to 22mm.

**10ga Super Sizer £99.00 all gauges
.410 to 10 p&p £9.75**

MEC Bottle Support is designed for use with both Single Stage and Progressive machines. The heavy duty support hold the bottles steady while being tipped backwards to change a bar or bushing, also when removing them from the reloader.

Replacement shot and powder containers are available for all machines. Small Yellow containers are for Steel shot and both large and small in Red are for Lead shot. Small Red containers are also for powder.

**8938 Bottle Support for Progressive Loaders £31.50
8939 Bottle Support for Single Stage £31.50 p&p £6.00**

Column Lock Kit for MEC

CGR devised Column Locking kit to fit MEC 600Jr, & 700 Versamec reloaders ONLY. It keeps the column perfectly upright when used with 3½" cases in 10 & 12 gauges and 3" .410, 20, & 12 ga. Made in three parts it is very easy to fit and stops the column canting over under crimping pressures.

**ACCS38 £8.50
p&p £2.40**

MEC JIG FIXTURE

MEC Jig Fixture securely holds and is adjustable for all MEC reloaders. It can be mounted on a bench, board, or free standing. Fits all models. 600Jr, 650, 700, Sizemaster, Steelmaster, 9000 Grabbers.

Jig Fixture £42.95 p&p £8.50

Metal Crimp Heads

Metal crimp starter cutting in heads. These are mainly used for cutting in new cases and do not index on once fired cases. Designed to fit and replace MEC reloading machines spin-dex system in gauges .410 to 10ga in both 6 and 8 point formats.

**CGR6PT Metal Crimp Head 10 to 16ga & 20 to .410ga £42.00
CGR8PT Metal Crimp Head 10 to 16ga & 20 to .410ga £42.00
p&p £2.40**

MEC EZ-Pak

MEC EZ-PAK neatly stacks the entire 25 loaded cartridges for fitting directly into an empty box. An empty box is slipped over the EZ-Pak, it is then inverted and withdrawn leaving the shells inside the box, its that simple!

**EZ-PAK Assembler in .410,
20, 12ga. £13.25 p&p £3.50**

MEC Maintenance Kit

The perfect tools to keep your MEC Reloader running smoothly and efficiently. Includes; Anti-Seize Lubricant, Pick, Brush, Column Spring Lifter, and Closure Nut Wrench.

Kit £16.50 p&p £3.00
